VISITÉ

Friso de Zeeuw (1952) is departing professor at the chair of urban area development since 2006. Friso has a working history in both politics and housing development.

DDR After *die Wende*, Friso and his wife started collecting artifacts of the former

DDR. When moving to Monnickendam they specifically selected a *boerderette* where Friso and his wife could start a museum of their DDR collection.

Ever dreamt of moving? "We fulfilled our dream with our pied-à-terre in former east-Berlin".
